FOR IMMEDIATE RELEASE

October 24, 2005

**NOTICE OF PUBLIC INFORMATIONAL MEETING FOR THE KIKIAOLA
LIGHT DRAFT HARBOR NAVIGATION IMPROVEMENT PROJECT**

(WAIMEA, KAUAI - October 24, 2005 - NR 025-05) – The Department of Land and Natural Resources (DLNR) and the U.S. Army Corps of Engineers invite the public to attend an informational meeting about the Kikiaola Light Draft Harbor Navigation Improvement Project.

The public meeting will be held on Tuesday, Nov. 1, 2005, from 5 to 7 pm. at Waimea High School Cafeteria in Waimea, Kauai.

The Corps is partnering with DLNR's Division of Boating and Ocean Recreation to provide various improvements within the harbor. The Corps recently opened bids for the project to provide breakwater improvements and dredging of the entrance and access channels and State berthing area and was not successful in awarding the construction contract. The purpose of this meeting is to discuss alternative actions in the future to get the project into construction.

Any person requiring special assistance (i.e. large print material, sign language interpreters etc.) is asked to contact Mr. Richard Rice by October 26, 2005.
